JAMES E. NICHOLS MEMORIAL LIBRARY

ANNUAL REPORT OF THE TRUSTEES

1984

The Trustees have met regularly each month with an average attendance of four to six members plus the librarian.

At the December meeting Dorothy Simonds was elected Chairman for one year. Also Richard Cabell was affirmed as Treasurer of the Board as well as of the Association. Anna Stabler agreed to serve as Secretary of the Board for one year.

Two new members have joined the Board this year. Catherine Campbell was named by the Association to take the place of John Desmond who resigned as of January 1, 1984. Also, in March the selectmen appointed Priscilla (Chip) Sorlien to serve as a replacement for Roger Moulton who had resigned.

In February, Bob Beem, Selectman, and Lewis Woodaman, Fire Chief, met with the Trustees at their regular meeting to discuss the desirability of having a fire alarm system installed in the library building. This would include a sensing device and a phone alarm system which would indicate any unsafe drop (or rise) in the temperature.

After due deliberation and consultations with Mr. Beem a proposal was presented in April by Tom Mango Associates of Franklin, New Hampshire, who had installed the Town building system. After investigation of possible additional bids it was voted at the June meeting to recommend installation of the alarm system asked by Tom Mango Associates at a cost of roughly \$2000.

Two very successful events were sponsored by the Trustees in August. Merrill Beem, our Publicity Chairman, initiated and carried through the necessary arrangements that resulted in nearly one hundred adults and children attending the movie slide show lecture "The Sea Around Us" by Kevin Thorsell of Laconia, who is a naturalist, freelance writer, photographer and painter. This program was presented as a free service to our community. It showed a scope of life ranging from microscopic animals to sea birds and whales in a setting of beautiful seashore and ocean scenery.

In order to defray the expenses of this community program, Chip Sorlien headed up a very successful bake sale on the library lawn with the help of Association members, volunteers and active patrons of our library. Everyone pitched in to help with publicity, baking and selling, and all the food had disappeared before the end of the sale. The trustees would like to express their appreciation to all who helped in any way in both the bake sale and "The Sea Around Us" program.

Total circulation of library materials amounted to 6531 for the year. Patrons, both regular and non-resident, numbered 732. Librarian Gertrude Martin reports starting a collection of cassettes and large print books. Also we have two cameras supplied by the Polaroid Company to loan. More information and regulations can be had at the library. Another valuable addition is the weekly information map on the main reading table. It gives at a glance the location of newsworthy events all over the world, with brief commentary.

The Board of Trustees meet regularly each month on the third Wednesday in the Library at 7:30 p.m.

Dorothy K. Simonds, Chairman

MEREDITH PUBLIC HEALTH NURSING ASSOCIATION
74 Main Street
Meredith, New Hampshire

1984

The Meredith Public Health Nursing Association is a Medicare Approved Agency providing Skilled Nursing, Physical Therapy, Speech Therapy and Home Health Aide services to the residents of Meredith and Centre Harbor.

Our staff includes: June Plummer, R.N., Director; Jane Kiah, R.N.; Craig and Steve Walton, Physical Therapists; Judy Stoecklin, Speech Therapist; Judy Picard, Home Health Aide and Gail Pelczar, Secretary/Bookkeeper.

New members on the Board of Directors are Beverly Bacon and Raymond Hutchins.

Services in Centre Harbor during 1984:

146 R.N. Home Visits
3 Physical Therapy Visits
153 Home Health Aide Visits
200 B.P. Readings at Monthly Clinics
5 Weekend Visits

Free monthly blood pressure clinics are held on the 2nd Wednesday of each month from 12 noon to 3 P.M. at the Cary Mead Room.

The large turn out at our April board meeting to hear Dr. Lawrence Zyskowskis' presentation on arthritis was very gratifying. We held our annual open house on November 28th and offered several health screening tests. Many people took advantage of this service. Assistance was given to the Altrusa and Jaycees with their three blood drawings at which 124 units were obtained. We also assisted the Lions' Club and the Fifty Plus Club with their Health Fair. 86 screenings were done.

Our equipment "loan closet" did not escape this very busy year. Hospital beds, wheelchairs, crutches, walkers, commodes, canes, tub and shower benches as well as other miscellaneous items were well utilized.

Memorial gifts were received in memory of Lillian White, Mary Wilder, Bertha Faye, Cecil King, Harold Fay, Effie Cram, Norma Pitman, Phyllis Spaulding, Ellen Peck, Mary Martin, Alice Burrows, Gertrude Clark, Agnes McPhee, Thelma Sargent, Marguerite Woodman, Anna Blake, Florence Fournier, Joseph Dutton, Ethel Dutton, George Anderson and Elizabeth Anderson.

Uncollectible accounts for 1984 amounted to \$2,883.00.

INTER-LAKES DAY CARE CENTER & NURSERY SCHOOL
Meredith, New Hampshire

REPORT TO THE TOWNS

During 1984 the Inter-Lakes Day Care Center served 148 children--an 18 per cent increase in enrollment from the previous year. This represents a reflection of the recent baby boom which began two to three years ago. As a private, non-profit agency governed by a volunteer Board of Directors the Center operates a preschool program with a full range of services including education, special needs, health care, vision and hearing screening, dental care, nutrition, and parenting. As a participant in the N. H. Child Care Food Program sponsored by USDA, nutritious hot lunches, breakfasts, and two snacks are served daily. Our school is open on a year-round basis from 6:30 a.m. to 5:30 p.m., making it possible for the parents of 134 children to maintain employment.

The primary concern of the Inter-Lakes Day Care Center is to provide a home-like, educational environment for children of working parents. Through our Nursery School program, open to children of non-working parents, and our before and after-school "Seven-Upper" Program we provide for the social, emotional, physical and educational development of all ages.

Our satellite food program which we sponsor is a network of licensed Family Day Care Homes receiving federal reimbursement from USDA by serving nutritious meals and snacks while providing care for children of working parents in their homes. At the present time we have eight homes under the program.

The total budget of the Inter-Lakes Day Care Center for 1985 is \$135,000.00. Of this we will be receiving in tuition paid by parents \$73,475.00, \$2,800.00 from N. H. Child Care Food Program (USDA), \$2,480.00 from N. H. Child Care Food Program (USDA) for sponsorship of Family Day Care Homes, and \$2,485.00 from N. H. Job Training Partnership Act. This also includes the following: \$48,760.00 of which \$32,000.00 is Title XX and \$16,760.00 which must be raised in local funding. The money that is received from the towns is matched by the federal government under Title XX.

Area residents are cordially welcome to visit the Inter-Lakes Day Care Center and Nursery School at 11 Lang Street in Meredith.

CENTRE HARBOR PLANNING BOARD

ANNUAL REPORT

The Planning Board was pleased to approve the Site Plan for a conversion of the land and buildings on the former Belknap College campus. The new Red Hill Inn will consist of a 15-unit Inn, lounge and restaurant. This facility will be an asset to the Town, providing a reason for people to stop and stay in Centre Harbor.

To maintain the general historic character of the Village area, the Board approved and is putting before the voters a new zoning district entitled Commercial District-Village Area. This will provide for commercial use of the Village while maintaining the aesthetic qualities and scenic views.

During 1984 Jackie Baker resigned from the Board. Her contributions and efforts will be missed. The selectmen have appointed Janice Mulherin to take her place.

The Board was kept active reviewing subdivision requests and building permits. We appreciate the citizen involvement at these hearings; your comments and concerns are always welcome! Our regular meetings are held the first and third Tuesdays of each month.

Many thanks to the members of the Board who volunteer their time and efforts on behalf of the community. The committee also extends a special thanks to the efforts of clerk Joan Taylor. Her work is greatly appreciated.

LAKES REGION FAMILY SERVICE ASSOCIATION, INC.

Service to Families

Lakes Region Family Service Association, Inc. is a private, non-profit agency which has existed in the Lakes Region for over twenty years. We provide individual, family, couples, and child/adolescent counseling. Since 1981, our agency has provided a full range of emergency and rehabilitation services to violent families. Services to violent families include a 24-hour crisis line, shelter in host homes, transportation, advocacy, professional counseling, peer counseling, a support group for abused women, and a group for men who batter women.

Lakes Region Family Service has expanded its group offerings in 1983 and 1984. We provide Assertiveness Training Courses on an on-going basis and forty-seven (47) people have participated in these classes since March 1984. Our agency also offers a workshop for children who need help in adjusting to their parents' divorce. The agency provides a group for adolescent girls, and plans are in the making for a boys' group and for a parenting group in the spring of 1985.

We project that our agency will serve a minimum of twenty-one (21) Centre Harbor families by December 30, 1984.

Domestic Violence Program

Lakes Region Family Service is seeking assistance from the Town of Centre Harbor to help maintain our domestic violence program. This program has grown rapidly, serving 162 families in 1981, 262 in 1983, and 229 families in the first nine months of 1984. In 1984, ten (10) families from Centre Harbor have turned to us with problems of violence in the family. Our services to violent families serve the whole family, and we are particularly optimistic about the therapeutic value of our group for men who batter.

Counseling Program

Families from Centre Harbor have been assisted with marital problems, alcohol problems, adjustment to divorce, and difficulty handling child/adolescent behavior. Our agency works with as many family members as possible, and consults with other agencies such as schools that have a significant influence on family life. Our counseling services are provided by Master's level counselors and we have available consultation from our part-time psychiatrist. Residents of Centre Harbor are seen in Laconia and in Meredith at our one-day per week office in the Meredith Congregational Church.

Agency Budget

We enclose a copy of our budget in order to acquaint your committee with overall agency finances. The 1985 budget represents our proposed operating budget for 1985.

Thus far in 1984, the agency has remained within the operating budget for the year with \$115,217 in revenue and \$114,896 in expenses in the first nine months of 1984.

Centre Harbor Appropriation

Six hundred dollars (\$600.00) is being requested to assist us in providing services to families from Centre Harbor who voluntarily seek our assistance.

Our domestic violence services are unique in the Lakes Region and attempts to help all family members when there is violence in the family. Our family counseling service is recognized as a vehicle for change for families, and we are proud of our results in assisting families as they face a variety of problems. Our budget request reflects the increase in Centre Harbor families served. The average cost to our agency, per family served in the counseling program, is \$270.00. Families pay according to income, and no one is denied service based on inability to pay.

REPORT OF CENTRE HARBOR FIRE DEPARTMENT

1984

This year the total number of responses by the Centre Harbor Fire Department was 146. Of these, six were structures, 16 were chimneys, 75 were medical emergencies, and the rest ran the gamut from a burning fish house to a sinking boat. Our citizenry must be practicing good fire prevention, and for this your fire department is grateful. At present medical emergencies take up the biggest share of our time, and to help cope with this problem, two more of our men are now certified E.M.T.'s. For emergency medical help, as well as for fires, call 524-1545 promptly.

On the back pages of your town report, next to your name, you will find your tax map number. This number identifies and locates your property on the town tax map. It also serves as a very useful tool for the fire department. When reporting a fire or emergency, if you give this number to the dispatcher, the exact location of your property will be known. The ambulance service and area fire departments have maps and lists of numbers and can easily pinpoint your exact geographic location. In small rural towns like ours there are no street numbers, and so tax map numbers fill the bill. No matter who makes the emergency call, the tax map number which locates the property will never change. Names of owners and telephone numbers change; tax map numbers stay the same! It might be a good idea to tape your number on your phone or phone book so that no matter who makes the call, the proper number will be given. The fire department realizes that this is not 100% foolproof, but it is another attempt to speed up response time when someone needs help.

Another matter that can stand repetition is this: "TIME IS OF THE ESSENCE!" Please do not delay a call for help! Fire and medical emergencies require prompt action. Never hesitate! We in the fire service would much rather respond and help you solve your problem while it can be handled, than answer a delayed response and be sorry. Again, your emergency number is 524-1545 twenty-four hours a day. Memorize it!

As everyone in Centre Harbor knows, we have no public water system and no fire hydrants. Therefore, water for fire department purposes must be drafted from brooks, ponds, and lakes. If your property borders on a water source, please see to it that there is access for fire department pumpers. This is for your own protection and that of your neighbors. We're here to help, and we want to help, but limited access to the water in many areas of town is a serious problem. Where is the closest accessible water source to your home right now?

Finally, and we save the sting for last, it is time once again for the fire department to alert the taxpayers that, in the foreseeable future, Centre Harbor should be thinking about replacing a fire truck. Our Number 2 engine is vintage 1964! Right now it runs and pumps within specified standards, but how long it will continue to do so is debatable. Fire apparatus is very expensive. Even though we are looking at two to three years delivery time after ordering, we all know that prices have a habit of creeping up and up every year. So, fellow citizens, within the next few years we should be deciding how far we dare to press this gamble.

Your fire department thanks you for your continued support, and wishes a fire safe year for every household.

LEWIS E. WOODAMAN, Fire Chief

REPORT OF THE TOWN FOREST FIRE WARDEN
and
STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and state government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

WINTER AND SPRING ACTIVITIES

Co-ed volleyball continues as the most popular indoor adult program. These games are scheduled every Thursday at Inter-Lakes Elementary School from 7 to 9 p.m., and every Sunday at Inter-Lakes High School from 6:15 to 9 p.m. Adult volleyball continues through the spring, fall and winter months according to this schedule. Interlakes area participation each night is approximately 30 people. The Centre Harbor Parks and Recreation Department in cooperation with Meredith Parks and Recreation sponsor a tournament twice a year, the funds from which help defray the cost of balls, nets and other equipment.

A skating party for town residents was held on January 28th at the town rink, and an Easter party on April 21st drew 50 town children for games, races, relays and an egg hunt.

LIFEGUARDS-RED CROSS SWIMMING PROGRAM

Lifeguards are on duty at the town beach the weekend after school lets out in June until Labor Day weekend. The following classes were offered: Beginner, Advanced Beginner, Intermediate, Swimmer, Basic Lifesaving and Multimedia First Aid. Thirty-one swimmers participated in these classes, and an additional fifteen took part in preschool and parent-tot swimming lessons.

SUMMER PROGRAM

Summer events began with the Fourth of July Footrace, Independence Day Parade and fireworks on the town beach. The annual footrace drew 253 men, women and children who competed in 2-mile, 5-mile and children's races.

The Parks and Recreation Summer Program began the week of July 4th and continued for eight weeks. Aerobics classes were offered Monday through Friday mornings at 8:15 a.m. on the town beach. Foot and bike hikes took place every Monday with attendance of six to eight children on each hike. Tennis lessons for elementary and junior high age children took place on the Moultonboro courts every Wednesday and Friday with an average participation of six. Nine children enjoyed the "Fun and Games" preschool exercise class every Tuesday at the town beach. Friday was Arts and Crafts day for preschool and elementary school children, with approximate attendance of 19. Adult Volleyball switches to Friday evenings at the town beach during the summer months, and approximately 18 adults turn out. Two Walt Disney films were shown during the summer months.

SPECIAL EVENTS

The Hershey Track Meet in Concord, and the "Pa" Smith Field Day in Meredith were day-long events which enabled our youngsters to meet and compete with kids their own age from surrounding towns and throughout the state. Ten children qualified for the Concord meet and 21 competed in Meredith.

A Recreation Day on August 17th saw 40 children participating in waterfront games and relays in the morning, and staying for the afternoon activities: relays, games, ping pong, arts and crafts, a frisbee golf tournament and water balloon toss.

On August 24th, 14 children and adults took a field trip to the Mt. Sunapee Gondola ride, and a community beach party on August 26th culminated the summer's events.

YEAR-END PARTIES AND PLANNING

One hundred ghost, goblins and their parents were lured to the fire station on October 31st for the Parks and Recreation Annual Halloween Party. Thanks goes to the Kanasatka 4-H Club for their spooky haunted house. A Christmas party on December 15th, with ornament making, tree lighting and refreshments capped our activities for the year.

The Parks and Recreation Committee is involved in ongoing planning of recreation facilities on the town-owned parcel of land at the corner of Routes 3 and 25B. We hope to begin work on clearing, surface and sub-surface drainage, parking lot and softball field construction during this coming year.

The purchase of a rescue tube, bike rack and slide added to the facilities at the town beach. A donation from the Woman's Club enabled us to purchase six tennis rackets, balls and a steel cable volleyball net for outdoor play.

We would like to thank the Centre Harbor Woman's Club, the Centre Harbor firemen and the residents of our community who have offered their support and enthusiasm for our recreation programs.

Report of the Executive Secretary of the
LAKES REGION ASSOCIATION

July 1, 1983 to June 30, 1984

The Lakes Region Association brought together five Chambers of Commerce in the Region for a Cooperative Advertising/Mailing Program. Under a formula system it was set up so that each of the Chambers could participate at whatever level it was within their reach, either financially or brochure wise. This program used \$9,640 of cooperative funds and requested a State Matching Grant of a like amount, giving us \$19,280 for white space advertising and a total of \$32,010 for the entire program, including expenses of mailing literature directly to those interested parties. This program stimulated over 30,923 individual requests. This program is the envy of other areas, and is now being copied.

Spring, while we were servicing these inquiries, our Lakes Region Attractions group were not to be out done. They, too, planned a television advertising program, raised \$13,100 of their own money and requested and obtained a Matching Grant for another \$13,100. This well-designed program was used in the Greater Boston/Providence and Maine area to encourage the day tripper, as well as the longer time vacationer. This was also most successful. They again published and distributed 620M of their brochures and work hard to keep the public informed that this is an excellent location for a vacation or a seasonal or year round home area.

We continue to publish annually the Where To In The Lakes Region book, the Navigational Charts of several of our Lakes; supervise the activities of the Lakes Region Attractions, a part of our organization; guide new commercial property owners in management and promotion of their property; work with the many state agencies; and are active with the N. H. Travel Council, and the N. H. Hospitality Association.

The Lakes Region Association seeks to preserve the quality of life we have here in our special part of New Hampshire. We want to maintain and preserve our natural resources, our lakes, our fields and forests so that they can be enjoyed not only by those of us who live here, but also by those who visit our Region.

I have faith in our communities, their judgment and their ideals, and I know the Lakes Region Association will continue to work comfortably with our communities to mutual goals.

Respectfully submitted,

Mildred A. Beach, Exec. Sec.
THE LAKES REGION ASSOCIATION
